

Professional learning funding application

MLTA NSW supports members' involvement in professional learning activities. Members can apply for a subsidy of up to 50% of **registration costs** incurred by individual members (up to a maximum of \$500) for non-MLTA NSW professional learning events. Please note that applications for funding must be submitted **before** the professional learning event takes place.

All applications are assessed by the MLTA NSW Executive. Preference will be given to applicants who have been members for 12 months or more. You will be notified via email once the application has been considered. If approved you will need to provide the MLTA with a copy of your payment receipt for the reimbursement to be processed.
